Day 1: Welcome to Børselv

We'll pick you up at Lakselv Airport and take you to our historic lodge in Børselv. After settling in, relax and enjoy a family dinner prepared with local ingredients.

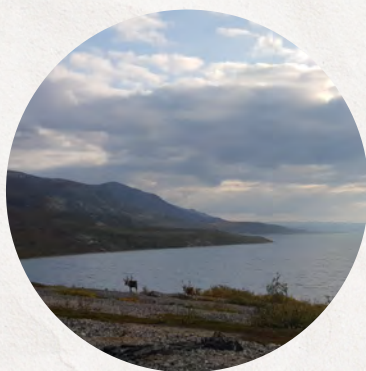

Overnight : At the lodge

Day 2-3: Into the wild with your pack dog friend

After a good night's sleep and a hearty breakfast, we set off on a family-friendly hike through the stunning landscapes of Porsanger. Your guide will share facts about the local flora, fauna, and history of the region, keeping kids engaged along the way. To make the experience even more special, one of our friendly Huskies will join as a pack dog—that your family can share the adventure with!

At the end of the day, we'll set up a comfortable tent camp, where everyone can enjoy a warm and delicious dinner cooked over the fire. Share stories, let the children experience the magic of an evening under the Arctic sky, and listen to the sounds of the nature before spending the night outdoors in a cosy tent.

The next morning, after a family breakfast, we'll hike back to the lodge in Børselv. Here, you can relax, shower, and enjoy another cozy evening together with dinner in our lodge.

Day 4: Farewell

After a leisurely breakfast, we'll drive you back to Lakselv Airport, where your family adventure comes to an end—hopefully filled with beautiful memories.

It's also possible to combine the tour with a visit to our Husky kennel, and if the conditions are right, might try dogsledding on wheels.
