Welcome to an immersive Hammerfest program designed for corporate groups and work teams. On the first evening, guests check into their hotel before being transferred by bus to the restaurant for a memorable dining experience. The chef will highlight local ingredients in a carefully crafted menu. After dinner, a bus will return guests to the hotel for a restful night.

On the second day, guests can start with breakfast at the hotel, followed by access to a fully equipped seminar room for a few hours of focused sessions.
