

Hiking Expedition

**ESCAPE INTO NATURE AND UNCOVER THE
FASCINATING STORIES OF OUR AREA.**

GO NORTH

Whether you're seeking an enriching hike or looking for a route to explore the unique landscapes of Porsanger, our guide will take you on an unforgettable journey through our beautiful mountains, with a night under the Norwegian sky.

Day 1 : After we picked you up at Lakselv airport, your adventure begins with an overnight stay in our historic lodge in Børselv.

Day 2-3 : After a restful night, we'll set off to explore the surrounding nature. Your guide will share insights about the flora, fauna, and breathtaking landscapes of our area. We will also bring a pack dog from our pack of Huskies as company, and perhaps you want to bring one too?

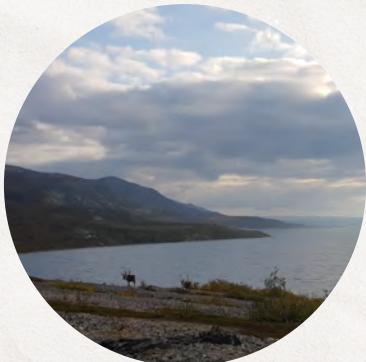

At the end of the day, we'll set up the tent and enjoy a delicious local food dinner, before spending the night outdoors in the heart of the Arctic. The next morning, we'll return to Børselv, where you will spend an additional night in our lodge before departing, included a dinner with your guide.

Day 4 : After breakfast, you'll be transferred back to Lakselv Airport for your departure.

The trip is also adapted to families, and kids used to hiking is welcome to join. We adapt the tour to the group, weather and conditions.

It's also possible to combine the tour with a visit to our Husky kennel, and if the conditions are right, might try dogsledding on wheels.
