DAY 1: ARRIVAL AND EXPERIENCES

Guests arrive at Akkarfjord at 12:00, where they're welcomed with a warm fish dish that modernizes traditional local flavors. Over lunch, enjoy storytelling that brings the culture and history of Sørøya to life.

After lunch, guests are taken to meet the family and their camels. This one-hour experience offers an introduction to the family, a chance to take photos, and a group picture with these unique animals, alongside more fascinating stories.

Following this, guests check into their accommodations. Later it's time for the company meeting at Sørøya Rorbuer. There's also an option for a scenic boat trip from the Rorbuer to Finnelva, weather permitting.

GO NORTH

Evening activities start with a team-building session on the beach at Storsand/Lillesand, where guests can unwind, reflect, and connect with the natural surroundings. Following this, a three-course dinner awaits at Lille Pernille. The meal features for example a delicious soup as the main course and a dessert made from rhubarb and local berries.

Day 2: Breakfast and Excursion

The day begins with a catered breakfast, followed by more meeting time for the company. To conclude the retreat, a boat trip back to Hammerfest is arranged, with packed lunches provided.
