

Sami Reindeer Adventure: Culture and Connection

**AN ARCTIC ADVENTURE: REINDEER,
CULTURE, AND CONNECTION**

GO NORTH

JOIN US FOR AN UNFORGETTABLE JOURNEY INTO THE HEART OF ARCTIC LIFE. YOU WILL START YOUR ADVENTURE AT OUR PLACE, WHERE WE GEAR UP IN WARM SNOWMOBILE SUITS AND SET OFF ON A THRILLING SNOWMOBILE SAFARI.

Our destination is our **reindeer herd** in the mountains, with a scenic stop at one of our cozy mountain camps. Here, you'll enjoy a light lunch and listen as we share stories about reindeer herding, our sustainable way of life, and how we work in harmony with nature, including the important role of our hardworking dogs. You'll also get to witness a captivating **demonstration of herding dogs** in action before we continue to a camp near the village.

At the camp, immerse yourself in Sami traditions: try your hand at lasso throwing and enjoy a unique experience riding with reindeer and sleds. After the outdoor activities, we'll gather inside a spacious lavvu (traditional Sami tent), complete with seating and tables, where a delicious meal of bidus (traditional Sami stew) awaits.

As you savor the **flavors of our culture**, we'll share more stories about our heritage and treat you to a moving performance of joik, the traditional Sami chant.

The day concludes with a short snowmobile ride back to the road and your journey home.

Our camp is conveniently located just two minutes by snowmobile from the road, and our reindeer herd is approximately a 20–30-minute ride from our home.

Optional:

Extend your adventure with a cozy overnight stay in one of our camps.

Stay at our main camp, just a few kilometers from the village, with heated lavvus for up to 10 people. Each lavvu has mattresses, and there's a warm toilet facility nearby.

For a more remote experience, stay near the reindeer herd or by a mountain lake. This camp accommodates up to 12 guests in heated traditional tents, fully equipped with everything you need, including a toilet tent.
