**IT'S AN ALL INCLUSIVE CONCEPT  
YOU BOOK THE FLIGHTS AND WE'LL  
TAKE CARE OF THE REST.**

### **Day 1: Arrival**

Arrival at Lakselv Airport, where you'll be picked up and transported to Børselv. Once settled in, meet the dogs and your guides, who will introduce you to the equipment and provide a safety briefing. You'll also get an overview of the route and receive training on ski techniques and essential expedition skills.  
Overnight: In the authentic Børselv lodge, with dinner.

### **Day 2-6: Expedition**

After your breakfast, we pick you up at the lodge and start the adventure. We will bring a long a dog or two for company and a little bit of pulling help.

You will be introduced to your sled and expedition gear and start your journey skiing across the stunning Finnmark plateau, traversing mountains, fjords, and pristine wilderness. The route will be decided after the weather and conditions, but if it looks good on the coast, we will head north, and also have one night in our camp of heated Gamme tents.

Learn essential wilderness skills such as building a camp in Arctic conditions and enjoy wild camping in scenic locations each night. Gather around the campfire for stories and reflection after a day of skiing.

Overnight: Camping in expedition tents in the Arctic wilderness.

### **Day 7: Final day of skiing**

In the afternoon, return to the lodge in Børselv, where you can unwind in the sauna and enjoy a celebratory dinner, sharing the memories of your adventure.

Overnight: Lodge stay for your final night.
